

Architectural Technician

INKSPACE is a small and vibrant RIBA Chartered Architects and Interior Design studio based in Wimborne, Dorset. We specialise in high quality residential architecture and have a varied and extensive portfolio of projects.

We are currently looking for a competent and experienced Architectural Technician to join our expanding team. The right candidate must have a love for residential architecture, along with excellent construction knowledge.

You will be an integral part of our close-knit team, delivering projects through the construction design stage, to completion. This is an ideal opportunity for an experienced Technician looking for an involved role on challenging and interesting projects, across Dorset and Hampshire.

The successful candidate will assist with a project portfolio that includes; one off houses, extensions, barn conversions and the renovation of listed buildings.

A strong comprehension of the RIBA Work Stages and good technical knowledge of construction, detailing and writing specifications is essential, as well as experience with UK Building Regulations. Proficient English language skills are also a must and the ability to communicate well with clients and consultants is desirable. Site experience would also be advantageous.

The correct candidate will need to have design office experience with demonstrable skills and a strong aptitude in architecture. The candidate must be self-motivated, capable of meeting deadlines and working as an individual or part of a team. They will also have:

- Good knowledge on Vectorworks and Sketch Up.
- Experience of Adobe Creative Suite would be an advantage but is not essential.
- Hold a current UK driving licence and have access to a motor vehicle.
- Have a good knowledge of current Building Regulations and UK construction detailing, to be able to produce working drawing packages.

Salary will be dependent on experience and in line with RIBA guidelines. Interviews to commence immediately. No agencies please.

To apply for this role please send your CV and examples of your work (max 2MB) and a short cover letter to: studio@inkspaceltd.co.uk
